WELCOME TO HIRE DAY ORLANDO 2024!

Central Florida's growth rate surpasses that of most cities in the United States. Recognizing the necessity for a dedicated platform to bridge the gap between great talent (like yourself) and excellent employers, OrlandoJobs.com was established in 2005. We also know that technology alone is not the only way to get a great job, so we created **HIRE DAY ORLANDO**, enabling job seekers to have face-to-face contact directly with over 100 employers.

Today's event has been enriched with a suite of resources designed to assist you. Get a complimentary professional headshot and personalized resume critique, attend career development sessions, or visit our esteemed community partners, which can facilitate your career advancement. We encourage you to network extensively today, particularly with organizations that may not yet be on your radar, as they often offer rewarding career prospects.

We thank you for coming today and reminding you that OrlandoJobs.com remains at your service for accessing the best Central Florida job opportunities and insightful career-related articles. We wish you a productive and fulfilling day.

Sincerely,

Roger Lear and Scott Kotroba
Co-Founders, OrlandoJobs.com
