HIRE DAY ORLANDO

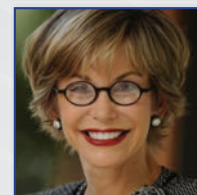

CAREER CLASS SCHEDULE

HIRE DAY ORLANDO will feature outstanding career speakers who will help you rethink how you do your job search. Each session is designed to give you **REAL** information about the Central Florida job market; and some jobs that you didn't even know existed. These powerful sessions are **FREE** and not to be missed.

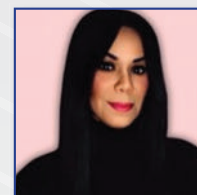

10:30AM How to Apply to Jobs and Get Noticed! - A well-executed application significantly increases the chances of securing the desired position. Following the correct application process demonstrates professionalism, attention to detail, and a genuine interest in the role, making a positive impression on potential employers. By learning the essential steps and best practices in this powerful session, participants can showcase their qualifications effectively, stand out from the competition, and increase their likelihood of being considered for the job. **Eric Campbell Manager - Talent Acquisition, NEXTECH, Named as one of the Top 50 Talent Acquisition Leaders Globally by Oncon Awards**

11:30AM Power Interviewing & Prep to Nail Your Dream Job - In today's competitive marketplace, when you finally land an interview, you'll have a critical advantage tailoring your "sell" by understanding Real Communication to meet the company's exact needs. This session will help create your strongest, distinctive & most reassuring 1st impression with professional branding, a winning "Tell Me About Yourself" formula, interview subtext, customized success stories, and authoritative non-verbal language. Prepare with Lisa, & FEEL EMPOWERED... even if you HATE interviews!
Lisa Maile - Career/Communications/Success Coach & Image/Branding Consultant, LisaMaileSeminars.com, lisamaile1@gmail.

12:20PM Your Credentials Are Just the Beginning: How to Position Your Story and Get on the Right Radar - Most job seekers are great at their work and terrible at explaining it. This session gives attendees the tools to change that in 30 minutes. Attendees leave with a clear storytelling framework, three tactical moves for getting on the right people's radar, and an action plan they can start on the same day. **Alanna Rodriguez - J.M., PHR, CAM, HR Business Transformation Partner, Lockheed Martin , Founder, Cafecito & Careers™**

12:50PM The Biggest Myth in the Job Market: AI Is Coming for Your Job - Don't believe the hype. AI isn't taking all the jobs. In this session, you'll discover what's really happening in the job market and how you can use that knowledge to land a great opportunity. Learn about real jobs available right now that use AI tools. You'll walk away with new insights, practical strategies, and the confidence to pursue what might just be the best job you've ever had. This is a can't-miss session for every job seeker to truly understand why the future is so bright for everyone!
